We are importers of industrial valves for reexport hence request you to send complete information such as catalogues and price lists. We shall revert to you with our requirements as soon as we receive your response.

#### **BEARING UNITS**

We are a Danish company, selling power transmission and ntn bearings in Denmark. We are today buying sprockets and plate wheels from China and are also looking for a good supplier of bearing units from China. Will you please email your export price list of the bearing units to us.

#### **PLASTIC MACHINES**

We are looking for the possibility of supplying: extruder for blowing film, bag making machine, slitter and rewinder, label making machine, rotogravure printing machine, etc.

#### **ELECTRO MOTORS**

We are looking for following electro motors: 5.5 KW 1500 RPM, 15 KW 1500 RPM, TYP YC 1500 RPM 4 POLES, TYP YC 3000 RPM 2 POLES and different Circuit Breakers.

#### **REQUIREMENT OF MOTORS**

We are reputed manufactures of all types of reciprocating, screw air compressors and garage equipments. We are planning to purchase 3 phase motors from China. Our requirement will be for bulk quantities.

#### **BRASS BALL VALVES**

We have a company in Pakistan which deals in different kinds of valves and fittings. Currently we are looking for companies in China which make Brass Ball Valves (Italy Type), Water meters and SS Fittings.
